TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Effingham in the County of Carroll, State of New Hampshire, qualified to vote in Town affairs.

You are hereby notified to meet in the Town House in said Effingham on Tuesday the Ninth Day of March, 1948, at Nine O'clock in the Forenoon to act upon the following subjects.

Art. 1. To see if the Town will vote to raise and appropriate the following sums of money to defray Town Expenses.

A. For Town Officers' Salaries	\$860 00
B. For Town Officers' Expenses	650 00
C. Election and Registration	150 00
D. Town Hall Expenses	200 00
E. Police Department	25 00
F. Fire Department	2750 00
G. Health Department	50 00
H. Vital Statistics	1 50
I. Highway Maintenance	5000 00
J. Street Lighting	435 00
K. Town Road Aid	623 01
L. General Expense of Highway	100 00
M. Libraries	150 00
N. Town Poor and Old Age Assistance	1750 00
O. Soldiers' Aid	50 00
P. Memorial Day and Veterans' Associations	10 00
Q. Damages and Legal Expenses	300 00
R. Interest Payments	250 00

The above proposed appropriations have been approved by the Effingham Town Budget Commission.

Art. 2. To see if the Town will vote to authorize the Selectmen to take from the Capital Reserve Fund the sum of \$750.00 for the purchase of an additional portable Fire pump and hose and other equipment.

Art. 3. To see if the Town will vote to raise and appropriate the sum of \$55.00 which is about 1/100 of 1% of the assessed valuation of the Town, for the publicizing and promoting the advantages of the Town by the Lakes Region Associations, in cooperation with other Towns in the Lakes Region.

Art. 4. To see if the Town will vote to rescind the vote of the last Town Meeting held in 1947, in reference to the adoption of Chapter 25, Sections 79 to 90 of the public Laws of the State of New Hampshire (Commonly called the Caucus Laws).

Art. 5. To see if the Town will vote to authorize the Selectmen to distribute the blank inventories at the time they examine the property to be taxed.

Art. 6. To see if the Town will vote to authorize the Selectmen to borrow the sum not to exceed \$7500.00 in anticipation of Taxes.

Art. 7. To see if the Town will vote to adopt or divide the Town into Two Districts for the purpose of electing Two road Agents, instead of Three.

Art. 8. To see if the Town will vote to elect Two Road Agents, instead of Three as exists at the present time, (providing article Seven is Adopted).

Art. 9. To see if the Town will vote to discontinue and close the Effingham end of the Town Road leading from the foot of so called Marston Hill at Center Effingham, and running through to the Parsonsfield

Town line, subject to gates and bars, and the will of the Town of Parsonsfield, Maine.

Art. 10. To see if the Town will vote to close part of the so called Road leading from and beyond the estate of said Santoro located in Center Effingham, subject to gates and bars.

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$40.00 for the so called ministerial aid.

Art. 12. To see if the Town will vote to accept the report of its agents and Auditors.

Art. 13. To choose all necessary officers for the ensuing year, including a Selectman, a Library Trustee, and a Trustee of the Trust Fund for the next Three Years.

Art. 14. To transact any other business that may legally come before said meeting.

Art. 15. To see if the Town will vote to accept the sum of \$100.00 as a gift from Sadie Fritz, and the gift of \$50.00 from Andrew Friedman of Camp Robin Hood, given in appreciation for services rendered during the Fire in October 1947.

Given under our hands and seal, this Fourteenth Day of February in the year of our Lord Nineteen Hundred Forty Eight.

FIRE DEPARTMENT EXPENSES

From January 1st, 1947 to Dec. 31st, 1947

The following amount of expenses that are listed below do not include the whole amount of the Town's Fire Expenses, that were incurred by the disastrous Fire that swept through this community in October 1947. The total amount will be almost \$18000.00. At the present time the prices of equipment that will eventually have to be paid is under discussion with the Forestry Dept., and the different companies that furnished equipment in this Town, and they cannot be paid until there is some set rate for all equipment. The State will eventually assume a large portion of this bill.

Frank Crabtree	\$ 55 00
Huggins Hospital, Medical Aid	12 00

FOREST FIRE PROBLEM SERIOUS

The year 1947 was one of the worst periods of drouth and forest fire occurrence in eastern United States history. Lack of water ruined crops, lowered water levels and dried up brooks everywhere. Three months of deficient rainfall and abnormally high temperatures resulted in many fires which were mostly well controlled and kept within bounds. Only the high winds beginning on October 23rd caused a few fires to escape beyond immediate control. These few fires resulted in burning some 15,000 acres and the loss of 63 or more buildings in four New Hampshire towns.

All October fires were costly. They burned deeply in the ground and required day and night patrol of large crews of men until the rains came late in October. Towns which escaped from serious fires might easily have been in the midst of the most serious conflagrations we had.

Governor Dale closed the woods effective at midnight of October 15th. With the blow-up of October 23rd, a second proclamation closed all back roads and authorized towns to inaugurate patrol. The effect of this was to cut down subsequent fires for the rest of the dry period.

Local fire warden forces performed an admirable job to hold the more than 200 fires that occurred during this October period. Many men were taxed to the utmost as the emergency continued. To them and all those who did their work, the people of New Hampshire owe a debt of gratitude. The state forest fire control agency based on local town wardens and town crews wherever adequately equipped rose to the occasion and met the test in whatever town their services were needed.

It is now time to take stock everywhere of our fire fighting facilities for the season ahead and to make them adequate where necessary. To this end town fire plans and training programs for wardens, deputies and other key men in each district are being arranged or in progress. If equipment and tools are insufficient properly to equip the available man power in each community with the right tools for the job, they should be provided for at once. The yearly addition of fire tools to the town supply will generally need to be built up. The state sells tools to the towns and shares one-half their cost. Good equipment is important and can help greatly to keep both damage and fire costs at a minimum.

For many years we have requested our wardens not to issue burning permits except on rainy days. This regulation will be in effect again this year as it is one of the best means of assuring such fires from getting out of control. Nine out of every ten fires can be prevented, 98 percent of all fires being due to human carelessness. Be sure to get a permit for any fire in or near woodland when the ground is free from snow. Be sure your fires are always out before you leave them. Help us in getting the travelling public to keep from

throwing out lighted matches or cigarettes. Be careful of all fires in or near woodland.

STEPHEN H. BOOMER

District Chief

1947 FIRE RECORD

Number of Fires	7
Acreage Burned	578
Number of Fire Permits Issued	23

**SELECTMEN'S REPORT OF FIRES
FOR THE YEAR 1947**

During the year there were several small Forest Fires that were eventually brought under control by the Fire Wardens of this Town, in co-operation with the local Fire Companies, and the use of the Town's Two pumpers that were purchased last year for the Town's protection in case of Fire, and for the benefit of the voters that have not had an opportunity to see this equipment working at a fire we would like to say that in our opinion they have already paid for themselves many times over, especially at the time of the October Fire in the saving of taxable property that otherwise would have been destroyed. At the time of the October Fire each pumper consisted of a Trailer, 750 Feet of 1½ inch hose, with a half Dozen Indian Fighters, on each Trailer, 4 Lanterns, 2 Shovels, 1 Axe and 1 Large Kidde Foamite Fire Extinguisher for Grease and Gasoline Fires, 2 Lengths of 4 inch suction Hose, 10 Feet Long. During the October Fire there was a great deal of this equipment that was either lost or sabotaged, and there were several incendiary fires that were set. Since that time we have had some investigation made as to whom was doing this sort of work, but so far we have had no concrete evidence that would stand up in court, in case these cases were brought before a justice. This thing went on for a few days during the fire, and then we decided to put out armed patrols to patrol the roads leading in and out of the

Town, and every car was stopped and questioned as to their business, unless the Patrol knew the person operating personally, was either a Fire Fighter or had some good reason for being in this vicinity. Otherwise they were turned back and told not to return. Now most of this lost equipment will eventually have to be replaced by the Town in order to make this equipment effective in case we have some more fires later on. We recommend another pumper with trailer and equipment to be purchased and have it located in the Southern part of the Town. We believe it will be a very good investment for our community.

At this time we would also like to say something relative to the October Fire and the cost of same. This fire was first noticed at about 1 P. M. on October 23rd, located over in the Town of Freedom by some carpenters working on a camp located on Broad Bay on Lake Ossipee, and due to the drought and the high wind that prevailed at the time, it quickly spread through the Cottage area of Freedom, and in less than 4 Hours it had burned to the Ossipee River that separates Effingham and Freedom. It followed along the shore of the river and in spite of the hard work on the part of firemen, it jumped a 1/3 of a mile across the river in the rear of Fritz's Camp and spread into the swamp and timber land across Route 25, and before it was stopped it had spread almost to the forks of the road near the Albert Wilcox Home on the Mountain Road. This was 3 days later, on the 27th. This fire was fought over a period of 14 days including patrols and the cost at present time has reached the staggering proportions of approximately \$17,500.00. The State has seen fit to assume a very large amount of this cost. We are in hopes that the Town's part will not be over \$2,500.00, which we will have to raise by borrowing on the Town's credit, on a loan.

It may be of interest for some of the voters to know what help and equipment was necessary to fight

a fire of this size, and the following named equipment and personnel was summoned into the Town to help us out.

Freedom: Two pumpers. Charles Watts, Pumper & Crew. Madison, 1 Fire Apparatus. Ossipee, 4 Pieces and Crews. Wolfeboro, 1 Piece and Two Pumpers. John Thompson, 1 Tank & Pumper. Sanders of Moultonboro Neck, 1 Pumper. Meredith, 1 Piece & Two Pumpers. Wonalancet, 1 Piece & Two Pumpers. Tamworth, 1 Piece & Two Pumpers. Conway, 1 Piece & Two Pumpers. There were also 3 Bulldozers, New Eng. Box Co.; 1 Bulldozer, Harry Nelson; 3 Tractors, 2 Jeeps, 1 Tank and Sledge; Ossipee Oil Large Tank; Frank Crabtree, 1 Tank & Truck; 2 Large Tanks from Esso Co. These tanks were used to haul water to the pumpers located in the woods, and the average daily for the first 4 days was about 40,000 Gallons. These tanks did a very good job hauling water as there was none available most of the time, especially in the timber land. Effingham had a severe loss in timber and real estate amounting to about \$15,000.00 in assessed valuation. There were 5 Small Cabins at Fritz's Camp Destroyed, the So called Lougee Place and the Pike Place on the Mountain Road, and a large tract of timber land.

The board of selectmen would at this time like to thank everyone that helped out in our time of need, especially those who came to our assistance from other Towns. Also our local chapter of the Red Cross, whose ladies did a wonderful job both in feeding these firemen and rendering first aid to many of our injured firemen, in the Station that they set up at the Effingham Falls Church. At times they fed as high as 500 men.

Respectfully submitted,

COMMENTS

At this time the Effingham School District wishes to acknowledge the gift of a large tract of land in the rear of the Effingham Falls School for a playground for the Children of the Falls District. This was a gift from Mr. Clifton Thurston and Mrs. Zelma Thurston, and when the funds are available, it will be made into a playground area for the children.

The School Board at this time would like to extend their grateful thanks to the Members of the Woman's Club, and members of the Effingham Grange, and all others that so generously supported our Hot Lunch Program, during the past year.

REPORT OF SCHOOL DISTRICT NURSE

A summary of the Health work done during the past year:

Pupils Examined	60
School Visits	37
Home Visits	41

The pupils were weighed and measured twice during the year. Vision tests have been completed with the Telebinocular. Individual tests were made when necessary for head and skin conditions.

Result of Examinations:

Defective Vision	6
(6 have been corrected)	
Defective Teeth	23
Enlarged Tonsils	2

4 pupils were taken to T. B. Clinic in Laconia for chest examinations and X Ray.

6 pupils were taken to Physician for examinations.

4 pupils were taken to Dr. Hunter of Dover, N. H., for vision tests and glasses fitted.

A one day Dental Clinic was held on June 12th, 1947, and was sponsored by the local Red Cross, with Dr. Deneault in attendance.

A summary of the clinic shows that there were 16 pupils treated, with a total of 36 operations on their teeth.

We are in hopes of having another clinic in the late Spring.

At this time I wish to thank the Red Cross, Dr. Francis Dube, and the Teachers, Miss Gladys Leavitt at the Center School, and Mrs. Dorothy Webb, at the Falls School, and the Three Members of the School Board and the Superintendent, Mr. Brasier, for their whole hearted co-operation in carrying out my work as the District's Nurse.

Respectfully submitted,
EVA A. HENEY, R. N.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Effingham:

The school year ending June 30, 1947 was historic in New Hampshire education. During this year twelve Lay-Professional Councils of thirty-six members each on a state wide basis, were formed for the purpose of studying New Hampshire schools and advising on their program. These 432 members and hundreds of guests studied the purposes and curriculum of elementary, secondary, adult, higher, and vocational education in the state; policies on cooperation among school districts; financial policies; and the responsibility of local, state and federal agencies for the welfare of the educational system of our state. The conclusions of the twelve committees were coordinated in a single report and published by the State Board of Education. This report is an outstanding contribution to the field of education and should be read by every citizen.

One of the most important outcomes of this work was the stimulus to greater cooperation between citizens, parents and members of the profession. Our schools would benefit greatly by similar projects on a local scale. This is being done in two districts through recently formed Parent-Teacher Associations.

Of primary importance was an act by the 1947 Legislature whereby state aid was increased to \$2,000,000.00. Most of our towns benefitted materially by this, with a consequent relief of real estate taxation.

But the problems of our schools never cease. A marked increase in school population in most towns, increases in cost in all departments, and the scarcity of qualified teachers raise important questions that demand the serious consideration of every citizen. In your schools today are your future selectmen, representatives, school board members, doctors, lawyers, teachers, and merchants. They must be trained

adequately to discharge the responsibilities on the local, state and national level that you now bear.

At the close of the year six pupils were graduated from the Effingham schools. All of these graduates entered high school and commendable reports have been received of their work. This is a credit both to the pupils and to the teachers, Miss Gladys Leavitt at Center Effingham, and Mrs. Dorothy Webb at Effingham Falls. Through the generosity of many citizens facilities for serving hot lunches were installed in the schools and hot lunches were served during the cold months. Hot lunches not only contribute to the health of the growing child but enable him to do better school work. It is a service which should be placed on a permanent basis.

Effingham had fourteen high school pupils in four different schools. A report made in October, 1944 shows six high school pupils. The number of Effingham boys and girls attending high school more than doubled during this period.

Instructional motion pictures were shown regularly in the schools by the Superintendent.

The cordial and generous cooperation of the members of the School Board, citizens, teachers and pupils has made my work in Effingham a pleasure.
January 14, 1948.

Respectfully submitted,
EVERETT H. BRASIER

STATISTICS

Number of weeks of school year	38
